STOLE AND CREST KITS,..

Here's a delightful project for getting children involved with their confirmation,..

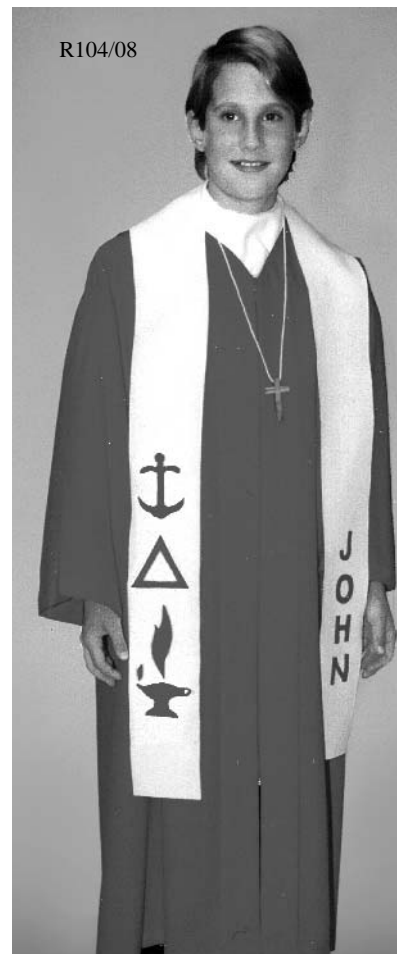

They can make up stoles or crests with religious symbols and their name applied. It gets them involved, and with their name, identifies them to the bishop.

Its easy to do,.. the stole and crest kits have square felt pieces to cut out the symbols,.. the stole kit includes a precut felt stole which they apply the cutouts to. Crest kit comes with a ribbon and gold marker.
